

Mindgardens Neuroscience Network Research Governance Statement

28 May 2023

Mindgardens Neuroscience Network research and related activities are conducted in a variety of settings and across four Member organisations: Black Dog Institute; Neuroscience Research Australia (NeuRA), South Eastern Sydney Local Health District and UNSW Sydney.

To ensure our activities conform with institutional, jurisdictional and national standards and applicable laws, Mindgardens activities are conducted under the research governance frameworks of the relevant Member organisation.

These research governance frameworks ensure that research is conducted responsibly and safely and is scientifically and ethically sound.
